Classification Talks

Every Rotarian Every Year

We are starting a new Rotary year. Our Club has pledged \$10,000, and any contributions will be greatly appreciated. In order to be a sustaining member of the Foundation, one must give \$100 or more in each year. By doing this, you will help insure the great programs of The Rotary Foundation stay on course providing the much needed money for the projects we come up with. At present we have 5 Major Donors in our club (giving \$10,000 or more). Once you contribute \$100, your name will be posted here as a sustaining member, as the following know:

Jim Thorpe, Art Hamparian, Morris Goodman, Dave Sample, Jack Mueller, Jane Mueller, John Fish, Mary Fish, Joe Hallissey, Deanne Baker, Bob Houston, Darlene Schoolmaster, Tim Richards

Please remember that we can't stop giving, because the need doesn't stop. Thank you.

E-mail scams targeting Rotarians Rotary International News – 22 July 2010

[Rotary International](#) on Facebook

Rotary International continues to receive notice of e-mail phishing scams targeting Rotarians. One such scam claims that the recipient has been selected in a raffle for a prize and the recipient's contact information is needed. Another scam still circulating claims that a deceased Rotarian has left money to the e-mail recipient to be donated to philanthropic efforts. The sender, who claims to be the executor of the will, then asks for the recipient's personal information, including a copy of the individual's passport and driver's license, in order to claim the inheritance.

Here is an example of one scam that is circulating:
